Transitioning from Early Start and the Individual Family Service Plan (IFSP) to special education preschool and your child's first Individualized Education Program (IEP) can be overwhelming and exciting at the same time.

Understanding the process can make the transition easier for you. And don't worry – your resilient toddler may love the change!

Come learn about:

- Transition to Preschool timeline
- What to look for in a preschool
- The differences between an IFSP and an IEP

Matrix Parent Network is here to support you and your child as you take this big step!

Please Note: This training covers the “usual” steps of Transition to Preschool from Early Start. While we'll discuss a bit about what's happening with Transition to Preschool during COVID-19, this workshop is not specifically related to the transition process during COVID-19.
